

Adding value.

Linklaters

Making a difference: Sharing our knowledge and learning with clients

Our clients are entitled to the benefit of our collective knowledge and learning globally. Sharing our expertise with clients to help them in their business is a key part of Linklaters' strategy, and our clients are provided with access to a wide range of value-added services.

Knowledge offerings

The Linklaters Knowledge Portal

The Knowledge Portal is a free, online subscription service, available exclusively to our clients. The Portal enables you to receive the latest legal updates on your chosen topics and search thousands of publications, seminars and curated collections, including downloadable videos and podcasts, written by lawyers from across our global network.

Topic microsites

Our web-based microsites offering content around a particular legal topic, which provides insights, updates and guidance.

Linklaters Insights App

Our Insights iPad App offering a selection of our most valued publications and videos for easy searching, downloading, reading and annotating on the move.

Linklaters Banking App

The app offers a wealth of information across loan products and provides practical guides and reports.

Linklaters Arbitration blog

The blog covers arbitration insights, updates and news across all the main arbitration centres.

Learning offerings

Open seminars

A series of open and informal seminars on topical subjects with leading experts from our global network.

LinQs network

The network consists of a selection of our female clients and contacts. LinQs meets twice a year for a half-day business skills workshop facilitated by one of our global training experts.

Bespoke seminars

As part of our ongoing relationships with our clients, we deliver training sessions that are tailored to the needs of the individual legal team.

FastTrack

Our digital eLearning product for clients.

This is a selection of our value-added services. Please visit linklaters.com or get in touch with your regular Linklaters contact to learn about how we can add value to your business.
